COR3	<p>Good morning/ afternoon/ evening, I am ..... from Phi (a research agency). We understand it has been difficult for everybody and hence we want to measure the economic impact of the COVID-19 outbreak, and we would like to ask you few questions. The crisis people and firms are going to face is unprecedented. There is a need to understand who is affected and how they are affected.</p> <p>This survey will take approximately 15 minutes to complete. We will ask about your economic activities prior to being affected by COVID-19 and how the outbreak impacted you.</p> <p>You may also be asked personal information that is important for the results of the study, some of which might make you feel anxious or embarrassed. You will also have a chance to share your contact information at the end of the survey, in case you are interested in participating in a follow-up survey. Please note that this information will be kept strictly confidential. You can choose to answer follow-up surveys every two months for up to a total of four interviews.</p> <p>Your participation is completely voluntary. You can choose not to take part. You can agree to take part and later change your mind without any consequences. Your refusal to participate will not result in any consequences or any loss of benefits that you are otherwise entitled to receive. We will compensate your time and participation with phone credits worth 15 TND from your phone provider. Otherwise you will receive no direct benefits from participating in the study.</p> <p>If you have questions, concerns, or complaints, or think the research has hurt you, please contact [+].</p> <p>Do you agree to participate in this survey?</p>	YES	1		
		NO	2	End interview	Add incentives
COR4	Do you agree to be recorded for quality control purposes?	YES	1		
		NO	2		

Demographics and Household Characteristics				
COR5	What is your age, in years?	[ ] Year		If <18 or >64
