END OF FIRST VISIT INTERVIEW
Remember to thank the respondent for the interview, explain about the next visit interview (how respondent should prepare) and make an appointment (day and time) for the second visit interview. Fill in section A4 "Interview 1 completed date and time used". Check the form for quality and missing. Store the form in a safe place.

START OF SECOND VISIT INTERVIEW

For households with more than 12 members, be sure that the form you use for the second visit interview is the one containing information about the last member of the household (section B-G first interview) and the housing information (section H-L first interview). Check that section A4 "Number of forms used for this household" is correctly filled in.

Instructions for section M1-5 Purchase and Consumption module (see also the manual)

For section M1: The actual number of household members that ate together the last 7 days should be recorded in section M1

For section M2-3: Read out each item from the attached food commodity list as follows: "Over the past (one week/7 days) did you or others in your household acquire, purchase, barter or consume any of [item]?"

1) If the respondent answers "no", tick off for "no" and continue to next line/item and repeat the questioning.

2) If the respondent answers "yes" tick off for "yes" and continue to ask questions and fill in information about purchase and possible consumption C03-C15 before you continue to next line/item.

For section M4-5: Read out each item from the questionnaire and, if "no" tick off and continue to next line, if "yes" tick off and fill in total amount of cash (or estimated value of kind/barter) spent.

M1.1 Does this household have more than 12 members? Yes ☐ ⟶ **M1.2 Is this the last form used for the first visit interview of the household ?** Yes ☐ If yes, start the second visit interview section M-N

No ☐ ↓ No ☐ If no, find the correct (last) form and start the second visit interview section M-N
